## HANDS AND FEET CLOTHING ORDERS

Dear Friends of H&F,

At H&F we have a uniform that we purchase for our staff and truck drivers. Often, we get asked by churches and volunteers if they could buy our shirts to wear during food distribution services or at other times.

We are about to place our 2020 shirt and jacket order and wanted to give an opportunity for those who may be interested in buying a shirt or jacket to do so.

This year we are going with 2 different garments

- Work Polo
- Work Jacket

There will also be a special trendy polo being produced for release at the Fundraiser night.

### Sizes

We will have a sizing pack at the H&F warehouse for anyone who wants to try on the shirts or jackets for size. Alternatively, the garment sizes are based on the Target sizing system. So, if you cannot get to the warehouse, you could drop into any Target store and try on their polo's or jackets to get your sizing.

The Men's Polo and Jackets are available in: XS, S, M, L, XL, 2XL, 3XL, 4XL & 5XL.

The women's polos are available in a women's cut and in the following sizes: 8,10,12,14, 16, 18, 20, 22, 24

### Option

If you would also like your church or organisation logo included on the right side of the polo, we can organise this also, but the cost will increase by \$6 per shirt and you'll need to have a minimum order of 20 shirts to allow this to occur.

### Orders

We plan to place orders with our supplier on the 31<sup>st</sup> of July, so if you would like garments, you need to let us know numbers and sizes before then.

### Cost

Polos \$26.00 + GST each (plus \$6.00 + GST for church logo if required)

Jackets \$58.00 + GST each

We will also need to charge postage to get the garments to you if we can't drop them off through our normal delivery systems.
